INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with the duty to disclose under 37 C.F.R. §1.56, attached hereto is Form PTO/SB/08a listing four references which may be considered material in evaluating the patentability of the claims of the above-identified application.

All of the listed references were cited in a Search Report issued with respect to the parent PCT application (PCT Application No. PCT/FR2004/002330) corresponding to this National Stage application.

Pursuant to the PTO's waiver under 37 C.F.R. §1.98(a)(2)(i)(1276 OG 55), no copy of the cited U.S. patent is being provided herewith. A copy of the International Search Report issued in the corresponding PCT application is being submitted along with copies of the cited foreign references.

For the record, two of the foreign references are not in English. As indicated above, the cited references were uncovered in a search conducted in the corresponding PCT application. As indicated at MPEP §609.04(a)(III), the requirement for concise explanation of relevance of a non-English reference can be satisfied by submitting an English-language version of a Search Report which indicates the degree of relevance found by the foreign office. Applicants rely on the attached Search Report as a concise explanation of relevance of the foreign references. It is noted that the foreign references are classified as being an "X" type and an "A" type.

Pursuant to 37 C.F.R. §1.97(c), a fee of \$180.00 is required. Please charge the required fee to Deposit Account No. 08-2461. If any additional fee is required, the USPTO is hereby requested and authorized to charge such fee to the Deposit Account No. 08-2461.

Favorable action is earnestly solicited. If there any questions or if additional information is required, the Examiner is respectfully requested to contact Applicants' attorney at the number listed below.

Respectfully submitted,
